RE: Case No. 2008-00392
CitiPower, LLC
Filing Deficiencies

Gentlemen:

The Commission staff has reviewed CitiPower LLC's application in the above case. The filing is rejected for the reasons set forth below:

(1) Filing deficiencies pursuant to 807 KAR 5:076, Section 2 – Application does not include a billing analysis. At minimum, the billing analysis needs to show the number of bills rendered and MCF sales volumes by customer class for calendar year 2007.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact Jeff Shaw at 502-564-3940 ext. 237.

Sincerely,

Ryan Gatewood, Director
Division of Filings
